As we all know that English language is very essential to communicate and enhance the soft skill in the global context. Accordingly, our college has stressed a need of conducting spoken English classes for the students of rural background. The objective of conducting spoken English classes is to make the aspirant learners to be proficient in their listening, reading, writing, and speaking skill in English. This proficiency is necessary to comprehend the cultural, professional, ethical, traditional and spiritual values of life.

As we all know that English language is very essential to communicate and enhance the soft skill in the global context. Accordingly, our college has stressed a need of conducting spoken English classes for the students of rural background. The objective of conducting spoken English classes is to make the aspirant learners to be proficient in their listening, reading, writing, and speaking skill in English. This proficiency is necessary to comprehend the cultural, professional, ethical, traditional and spiritual values of life.
